- I'm looking for a female in her 40's or early 50's who is upset about the mismanagement of our green waste and is willing to be in a Kathy Taylor promo talking about it. A friend of mine is associated with the campaign and asked me but I really haven't been effected by it. Please email me a @williams.com if you or someone you know would be interested. They are on a very tight time table. Thanks
